On 11 October 2018, the Institute of Public Relations of Singapore (IPRS) and TMC Academy renewed the IPRS Student Chapter Memorandum of Understanding (MoU).

The myriad of valuable learning opportunities is only made possible through the Institute of Public Relations of Singapore (IPRS) Student Chapter, which was first launched in 2016. This partnership provides TMC students with a platform for learning and experience with IPRS; establish possible internships with established PR and media firms in Singapore and to gain advice and mentorship from IPRS members, amongst many other benefits.

“ The student chapter has opened up many doors and opportunities for me to grow as an individual. I’ve learnt many things – one of which is to be open minded and curious in life. Public relations has been a great platform for me to push myself out of my comfort zone and gain confidence in everything I do. I would like to thank IPRS for providing students with such opportunities. ”

# HALLOWEEN MOVIE NIGHT

12 OCT

Halloween came early at TMC Academy, with the movie screening of the sinister horror film, Chucky. To create a truly hair-raising viewing experience, the lecture theatre was dressed up for the occasion – in splashes of red, hanging skeletons and drooping cobwebs. Organised by the TMC Student Club, we must give the student members credit for the wonderfully decorated theatre!

The movie screening took place right after the IPRS-TMC Memorandum of Understanding Signing, hence the interesting photos we captured. Have a laugh!

## TMC ACADEMY AND FOREIGN TRADE UNIVERSITY COLLABORATION COMES TO FRUITION

03 OCT

Following the dialogue session and MOU signing ceremony held in our campus early this year, TMC Academy's international collaboration with Foreign Trade University (FTU), Vietnam, has come to fruition. FTU is a top-ranking public university in Vietnam and has gained extensive achievements in providing talented graduates to the Vietnamese economy.

The programme agreement between both schools provides FTU students the opportunity to study in Singapore during the last 2 years of their bachelor degree studies. The student will first complete the Higher Diploma programme with a 6 months industrial attachment. Upon successful completion, the student will proceed to the final year degree, delivered by TMC Academy in Singapore, and awarded by University of Northampton, our university partner in the UK.
