

## The Art of Mixology Mocktail Competition

In partnership with the Association of Bartenders and Sommeliers Singapore (ABSS) Youth Wing Division, TMC Academy organised a Mixology competition for both students and staff. Participants are required to create an original mocktail recipe and concoct the drink for a panel of judges. The top 3 students will move on to the annual National Cocktail Competition, held at Raffles Town Club. TMC Academy is a regular participant and sees our Hospitality and Tourism students clinching top prizes in the previous years' competitions.

# TMC Academy Celebrates Racial Harmony Day

On the 20th anniversary of Racial Harmony Day in Singapore, we celebrate this milestone by dressing up in ethnic costumes and sharing our different cultures amidst food and drinks.

Despite having no prior experience, our students took on the challenge to compete with 80 other teams from various countries and backgrounds. In these four days, they have actively participated in workshops, conferences, and one-to-one discussions with successful local entrepreneurs in order to equip themselves with the fundamental skills, insights, and knowledge needed to kick-start their business idea – **Help Queue (HQ)**.

# Paint-A-Classroom

---

Before the start of a new term, TMC Academy students, with the help of Mr Andrew, our Hawthorn English teacher, had the chance to express their creativity on the walls of classrooms. This project was initiated to provide students an avenue to showcase their artistic flair and enhance the classroom environment with paintings drawn by the students themselves.

We are looking forward to the next painting session, and would like to call out to more students to join us next time!
