STUDENT
ACTIVITIES

Visit to Microsoft Singapore

A group of TMC students from the IT and Mass Communication programmes had an enviable opportunity to visit Microsoft Singapore office on 30th April 2015.

Thanks to TMC alumni and Microsoft staff, Mr Lim Wei Wah and Mr Albert Ng, who made the trip possible. They generously shared their academic journey and work experiences with the students who felt inspired.

It was also an eye opener for the students who were truly impressed with Microsoft, be it its open office design (known as 'New World of Work'), facilities or latest technological developments including 4G plus, context awareness system and 3D printer.

Sports League

Participating in sports is good for our students; it provides them with opportunities to practise their skills whilst making new friends and it also teaches them how to be part of a team.

Knowing the health and social benefits of sports, TMC Student Club held a sports event on 24th April 2015. The students battled it out in two sports, i.e. basketball and table tennis, amidst motivation from the energetic cheerleaders.

Although it was a wet day, both the students and supporters bonded and enjoyed themselves thoroughly.

Student Orientation

In April 2015, a new cohort of students joined TMC Academy.

Besides our staff holding formal briefing sessions on important academic and administrative issues, TMC Student Club helped to organise various fun icebreakers and teambuilding activities to welcome the new students to our TMC Family. Together with TMC staff, the Student Club members warmly mingled with the new students to help them to settle in quickly and adjust to student life at TMC.

To our new students, we are excited to welcome you and we look forward to seeing you on campus in the months ahead!

LJMU Graduation Ceremony 2015

Liverpool John Moores University (LJMU) held a graduation ceremony for its international students at Prince Hotel, Kuala Lumpur (Malaysia), on 25th April 2015.

Some of the 2014 batch of TMC graduates from the LJMU BA (Hons) Mass Communications and BA (Hons) Tourism, Hospitality & Leisure programmes travelled to Malaysia to attend the ceremony to receive their awards.

We are proud of our graduates and congratulate them for achieving an important academic milestone!

Fruit-eating Session

To promote healthy eating, the Human Resource Department organised a fruit-eating session on 20th April 2015 for TMC staff to savour various delicious fruits and at the same time get to know each other better.

Not surprisingly, both fresh and sweet, the fruits were finished up in no time.

Wow! It was literally a sweet and fruitful day for the colleagues.
